Dear Valued Supplier,
from the 12/07/2007 the n.1013/2006 CE legislation is applied to every trans-frontier shipment of waste destined to recovery.

The shipment of waste regulations' require both the parts arranging the shipment to complete the following documents:

- 1- General information prescription (attachment VII)
- 2- Inicial contract (attachment III)

- This documents are a contract between the person who arranges the shipment and the receiver.
- The contract (attachment III) between the person arranging the shipment and the receiver takes effect when the shipment departs.
- Every shipment of waist destined to recovery must always be accompanied by attachment VII.
- The conveyor must be registered to the National Environmental Management for the treats on Italian territory (art.194,comma 3 D.Lgs. 152/2006).

Both of the parts arranging the shipment must be able to present a copy of the contract to a relevant authority in case of need.

We kindly ask you to send us:

- A copy of the contract signed and stamped;
- Data sheet and authorized recovery activities (CER codes + R13/R4);
- The conveyor informations' that will bring the material to our deposit before the shipment departure at erika.leoni@rotbergsrl.com and cristina.xhilone@rotbergsrl.com .

We really thank you for your attention and collaboration.
Best Regards,
